Survey & Ballot Systems teams up with A Brush with Kindness

Eden Prairie, Minnesota- June 7, 2018 - Survey & Ballot Systems (SBS) is committed to being an important part of the local community. Through giving back campaigns, SBS employees have been empowered to bring positive change in areas of need.

On June 6, 2018 nine SBS staff members participated in a volunteer event in South Minneapolis hosted by the Twin Cities Habitat for Humanity. SBS staff worked with a specialty program, A Brush with Kindness, to maintain and repair a home in South Minneapolis.

A Brush with Kindness provides painting, landscaping, and repairs to qualifying low-income homeowners who have unmet home repair needs. The program was founded in the Twin Cities and has been replicated by hundreds of Habitat affiliates nationwide. Locally, A Brush with Kindness serves about 80 local homeowners each year—and more than 2,000 homeowners have been helped since the program started in 1998.
